Dear Sir:

On September 22, 2009, a telephonic interview was conducted in which Examiner Ryan Jakovac participated for the Patent and Trademark Office, and Elliott Light participated for Applicant. The participants discussed the disqualification of U.S. Patent 7,539,748 issued to Williams under 35 U.S.C. § 103(c)(1). The participants also discussed objections to the Specification and rejections to the claims based on a determination that the last filed amendment introduced new subject matter into the claims. Amendments to the claims were discussed. However, no agreement was reached.

Respectfully submitted,

/Elliott D. Light/
